CAREER OBJECTIVE

Passionate about aesthetics and user-centered design, I strive to create visually engaging and intuitive web interfaces. With a solid foundation in HTML, CSS, and JavaScript, I aim to combine elegant design with seamless functionality. Currently seeking a Frontend Intern role where I can contribute to real-world projects and further strengthen my technical and UI/UX development skills.

EDUCATION

University of Information Technology - VNUHCM

Bachelor of Science in Information Science and Engineering

10/2022 – Present

GPA: 3.4

PROJECTS

Personal Portfolio

Link to Github • Live Demo

05/2025

Individual

- Tech stack: React, TailwindCSS, Framer Motion
- Description: A fully responsive portfolio to showcase personal skills, projects with clean UI/UX.
 - Designed reusable **React** components for maintainability.
 - Implemented smooth animations using Framer Motion.
 - Hosted using GitHub Pages.

Recipe Sharing Platform

Link to Github

03/2025 – 06/2025

Team of 3

Role: Fullstack Developer

- Tech stack: React, Node.js, MongoDB, Express.js, TailwindCSS
- Description: A recipe search website offering detailed ingredient info, preparation methods, and tips for easy dish creation.
 - Developed the user interface using **React**.
 - Built RESTful APIs with **Node.js + Express** to manage recipe and user data.
 - Designed and maintained the recipe database schema using **MongoDB**.
 - Utilized **TailwindCSS** for rapid and consistent UI styling across pages.
 - Contributed to system design, UI/UX design using **Figma**

- **Tech stack:** React, SASS, Figma
- **Description:** A platform that connects students with tutors and helps tutors find jobs efficiently.
 - Converted **Figma** designs into structured and maintainable **React** UI components.
 - Used **SASS** to create modular and scoped styles for each component to improve maintainability.
 - Developed separate user interfaces for students and tutors with different interaction flows.
 - Collaborated in implementing role-based layouts to enhance user experience based on user type.

OTHER

- **Certificate:** JLPT N3 – Japanese Language Proficiency Test (07/2024)
- **Scholarship:** Academic Encouragement Scholarship – University of Information Technology
